

Covius Now Licensed as Title Company in California

Denver— October 20, 2022—Covius Holdings, Inc., a leading provider of technology-enabled solutions to the financial services industry, today announced the licensure of Covius Title Company in California. With the addition of this entity in California, Covius is now licensed to provide settlement services in 39 states as well as the District of Columbia.

Covius provides a range of title, escrow and closing services, including default title, to national lenders as well as regional and smaller banks and credit unions. “The decision to invest in a California license is part of our continued commitment to expand the national reach of Covius products to support our clients,” said Joe Chappell, EVP of Operations for Covius.

Pete Pannes, Chief Business Officer at Covius, added, “The new license expands our title footprint into the nation’s largest market and will enable us to write title for both origination and default clients in all 58 California counties. It will also allow us to meet pent-up demand from credit union and bank clients in California that have pivoted to home equity products.”
